Business of the House.

Sri K. HANUMANTHAIYA (Chief Minister and Leader of the House).—Sir, yesterday, I said that I would be in a position to say when the sitting of the Assembly may be adjourned.

I now find, Sir, that the Government has been put to the necessity of introducing another Bill. I hope copies of the Bill will be placed in the hands of the Members of this House either today or tomorrow at the most. I seek the co-operation of the House and you, Sir, in getting that measure passed.

Mr. SPEAKER.—What is the Bill? I do not know.

Sri K. HANUMANTHAIYA.—I have no objection to state. The Madras Legislature has passed an Act called the Madras Tobacco (Taxation on Sales and Registration) Act of 1953. It is no longer a secret either.

Mr. SPEAKER.—I now understand. It is published in the Papers.

Sri K. HANUMANTHAIYA.—We are a neighbouring State. If a commodity bears a higher taxation, smuggling naturally takes place from the place where taxation is lower. It is obligatory on the part of the neighbouring States to help one another administratively. Incidentally, it gives considerable amount of revenue to the coffers of the State. For these two reasons, Government are desirous of introducing this Bill. As soon as the Bill is passed by this House, we will be in a position to adjourn.

(Interruption).

Now, I am not speaking about the Bill. I am referring to the sittings of the House—how long it can sit.

Mr. SPEAKER.—You mean that it is necessary that the sittings of the House will have to continue for tomorrow and the day after—for two days on the 10th and 11th instants?

Sri K. HANUMANTHAIYA.—Yes, Sir.

(The House consented to sit till the 11th instant).

Sri B. HUTCHE GOWDA (Turuvekere).—Have you consented to allow the Bill, Sir?

Mr. SPEAKER.—We will consider that Bill when it is placed before us. It is not before me as yet.

MYSORE (PERSONAL AND MISCELLANEOUS) INAMS ABOLITION BILL, 1953.

Mr. SPEAKER.—Now, further discussion on Mysore Inams Abolition Bill may go on.

(No one rose).

There seems to be no Hon'ble Member willing and ready to seak on the Bill.

The question is:

"That the Mysore (Personal and Miscellaneous) Inams Abolition Bill, 1953, be taken into consideration."

The motion was adopted.

Next Bill ; The Evacuee Interest (Separation) Mysore Supplementary Bill, 1953.

Sri H. SIDDAVEERAPPA (Minister for Home and Industries).—Sir, since my colleagues who are to move other Bills are engaged in the other House, I may be permitted to move the Bill which stands in my name and whch is scheduled for to-day, *viz.*, the Motor Vehicles (Mysore Amendment) Bill, 1953.

Mr. SPEAKER.—That may be done.

THE MOTOR VEHICLES (MYSORE AMENDMENT) BILL, 1953.

Motion to consider.

Sri H. SIDDAVEERAPPA.—Sir, I move :

"That the Motor Vehicles (Mysore Amendment) Bill, 1953, as passed by the Legislative Council, be taken into consideration."

Sir, this is a very small measure consisting of only three sections. I shall explain briefly the reasons which prompted me to bring this legislation.

Now we are governed by the Indian Motor Vehicles Act after that Act was made applicable to Mysore from the year 1951. Section 58 reads as follows :—

"*Duration and renewal of permits.*—(1) A permit other than a temporary permit issued under Section 62, shall be effective without renewal for such period, not less than three years and not more than five years, as the Regional Transport Authority may in its discretion specify in the permit :

Provided that in the case of a permit issued or renewed within two years of the commencement of this Act, the permit shall be effective without renewal for such
